# About Girl Scouts Heart of New Jersey

## Our Future

More than 27,000 girls will soon become part of Girl Scouts Heart of New Jersey. Three current councils — Girl Scout Council of Greater Essex and Hudson Counties, Girl Scouts of Rolling Hills and Girl Scouts of Washington Rock — will merge in October 2008 to create a new, high-capacity council that will deliver innovative programming and leadership development opportunities to girls.

The new council will have the potential to serve 217,000 girls or 30 percent of the state's population of girls age 5-17 across a region that spans the state from east to west, covering the counties of Essex, Hudson, Hunterdon, Middlesex, Somerset, Union and Warren.

## Our Mission

Girl Scouting builds girls of courage, confidence and character who make the world a better place.

## Our Partnership

Together with our community partners, Girl Scouts of the Heart of New Jersey is the preeminent organization for girls.
