JULIETTE LOW WORLD FRIENDSHIP FUND

True to its original purpose, the Fund today helps to extend Girl Scouting and Girl Guiding to new members in many parts of the world and supports international friendship through service projects, training events, and exchange visits for Girl Scouts from 118 nations. Contributions to the Friendship Fund are made voluntarily by girls and adults, as individuals or as part of Girl Scout groups. **Donations are to be dropped off at the Council Service Center.** We send the donations all year long to GSUSA as we receive them. Popular times for the money to be collected are Juliette Low's birthday (October 31); during Girl Scout Week in March; or around Thinking Day (February 22), the special day when Girl Scouts and Girl Guides everywhere send their thoughts and greetings to each other.

LEADERS: When collecting the money, please note the following:

1. Only Troop Checks and Money Orders made out to Washington Rock World Friendship Fund will be accepted for Juliette Low World Friendship Fund. No loose change or bills can be accepted.
2. You will receive your Juliette Low Ribbon(s), one per troop, after we have received and recorded your payment.
3. Suggestions for determining the amount of money collected:
 - a. Have each Girl Scout trace their hand and fill with pennies
 - b. Penny per pound
 - c. Penny per inch of height

These are just a few ideas, but please use your own creativity to come up with ideas for the amount(s) of donations.

Thankyou!
