*Hey Cadette and Senior Girl Scout Troops!*

## **FATTEN THAT TROOP PIGGY BANK!**

*Create and lead a program for the  
\*NEW\*  
Girl Scouts of the Heart of New Jersey!*

### **WHAT IS THIS ALL ABOUT?**

This is an opportunity for Cadette and Senior Girl Scout Troops to take the reins and create and implement programs for Daisy, Brownie, and Junior Girl Scouts as a way to earn money for your troop.

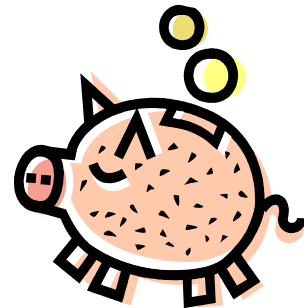

### **WHAT WILL OUR TROOP BE RESPONSIBLE FOR?**

This is a Girl Led opportunity for Older Girl Troops to design a program from start to finish. Troops will be responsible for conceiving a program idea, planning the entire program, completing necessary paperwork and submitting forms to council for approval. If your Troop's program is chosen, you will run your program and the council will advertise it in the 2008/2009 Program Calendar. After your program is complete, your troop will receive a portion of the income.

### **HOW CAN MY TROOP PARTICIPATE?**

In order to be eligible for participation your troop must:

- Have all 2007/2008 membership registrations into the Council office for your troop.
- Have participated in the 2007/2008 nut sale, cookie sale, and Family Giving Campaign, as well as plan to do so for 2008/2009.
- Complete and submit the Troop Led Program Proposal form by 4/16/08.
